Foreword

Alice In Troyland

In order that in years we may be able to live again the happy hours that we have spent on our voyage in high school, we have made this annual. We have endeavored to make it characteristic of those with whom we have made this voyage.

In the voyage of life that we shall presently step into, this shall be a source of encouragement to us. We hope all of our fellow voyagers may find the next voyage full of happiness and success.

In order that your voyage through Troyland will be an interesting one, we have asked Alice, our little guide, to show us through the activities and voyage of the student body. Alice, who many may know, will try to show you how life in Troyland is. So hop aboard and follow Alice as she leads you on a voyage to Troyland.

The Freshmen members were in charge of making a large scrapbook which they will take care of until they graduate. All of our

Pep Club

We certainly should be proud of our Pep Club this past year in its efforts to cheer our team on to victory.

The Pep Club celebrated its first birthday this year. It has grown stronger from fifteen members to forty members.

In the past the Pep Club has asked the students of Troy High to show their school spirit by wearing white shirts and dark slacks and shirts to our sporting events.

Besides coming out in all kinds of weather to yell for our team, the Pep Club planned a hayride that turned out very successfully.

The officers of the Pep Club were: M. Kozlowski, president; C. Curtis, vice-president; J. Kerrick, secretary; and H. Herweyer, treasurer.

Shangri-La

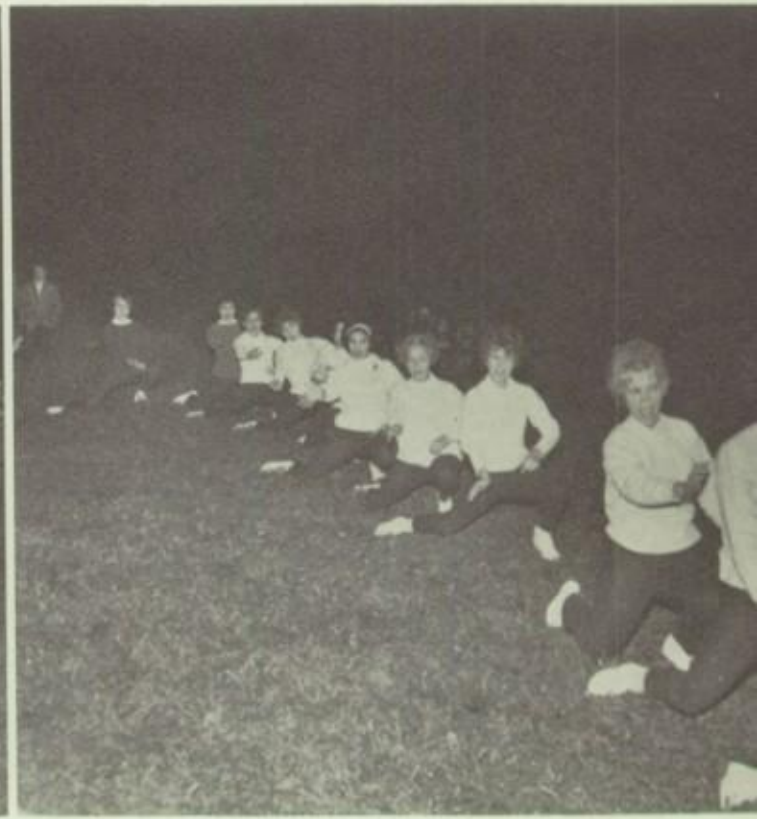

All throughout the school year Troy High School hosts dances, but none of them are as gala as the Senior-Junior Prom. This is really the only formal dance of the year, and therefore it is looked forward to with enthusiasm.

Sponsored by the Junior Class for the Senior Class, the theme last

year was "Shangri-La". Following the theme, the gymnasium became the sight of an oriental garden and pagoda.

Entering the beaded doorway, one could see red, yellow, and green lanterns hanging from the ceiling, pink blossomed trees surrounding the red and brown pagoda in the center of the room. An odor of incense hung all evening adding the final touch of a "Shangri-La".

The Bonfire

The bonfire was the beginning of the climax of another successful football season. This night was also a special occasion for all the Freshmen and Sophomores. They had been wearing hats and obeying the commands of the upper-classmen all day long. Now they would become official members of the Troy High School Student Body!

The cheerleaders were kept busy leading the crowd of cheers. To signify what our team was going to do the next night, they threw a huge casket with Fitzgerald written in large letters into the fire.

The pep band was also kept busy playing snappy marches and the Troy High Fight Song. Everyone left with music playing in the background as the pep band marched off.

Colt

Capers

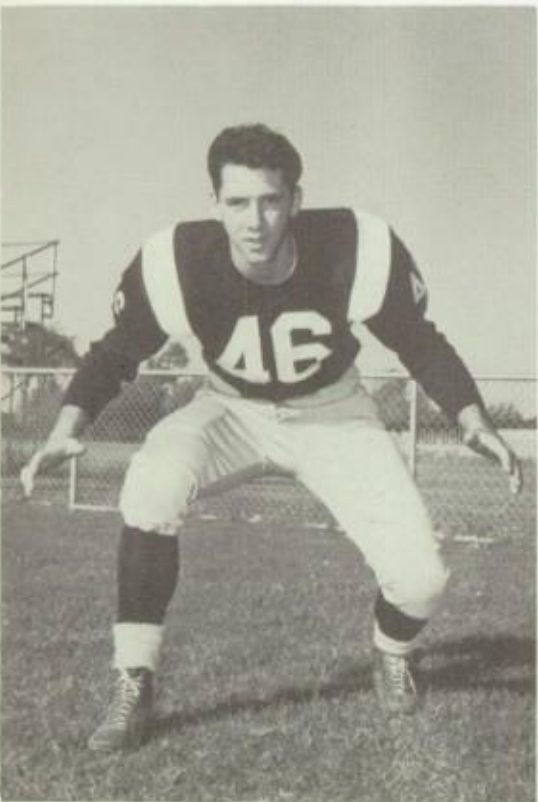

Seniors

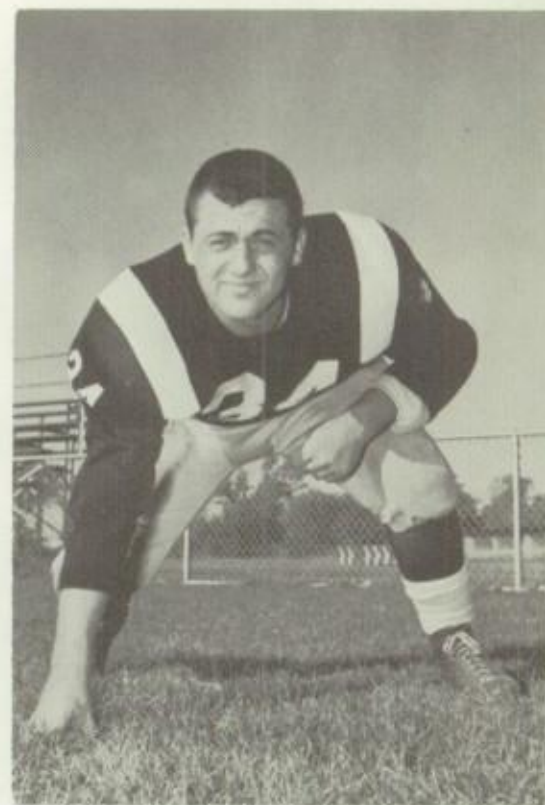

Tom Towler

He was our co-captain and a real leader. Determination made him one of Troy's all-time Greats. A fullback that could pick up those tough yards. He made All Conference and All County selection.

Tom McClellan-The roughest man of the squad. Showed his fighting spirit by recovering from an early season operation to play like a champ in our last four games.

Dave Schwandt-A three year letter winner. Played both offensive and defensive tackle. Gave us a lot of size and was one of our better players.

Cliff Pechota-Co-captain, offensive and defensive guard for three years. A real leader that lived and breathed football all the time.

Mike Jasso-Developed into a real leader. The most improved attitude on the squad. Made the big play go.

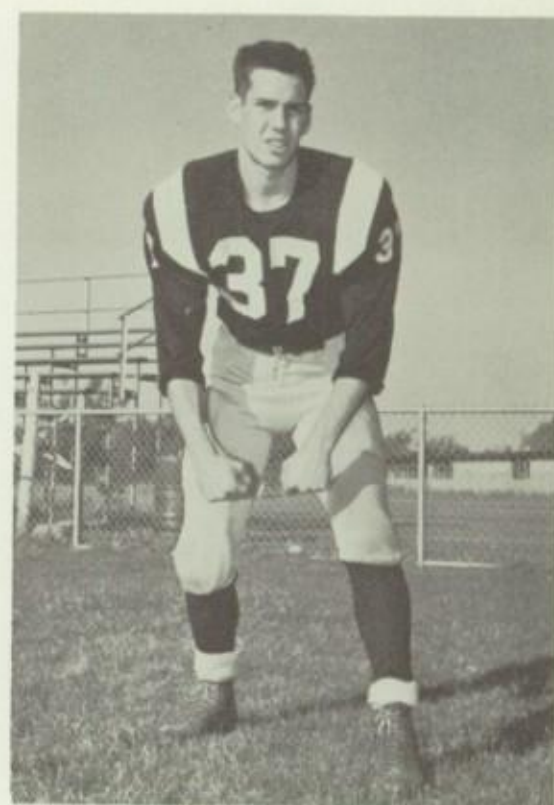

Bob Barnard

Bob was one of the best defensive backs of the year. He is a two letter man. His experience and great speed added to the team as a whole.

Dave Aldred-Played two years Varsity Halfback. A real Hard runner, he could hit the line real quick.

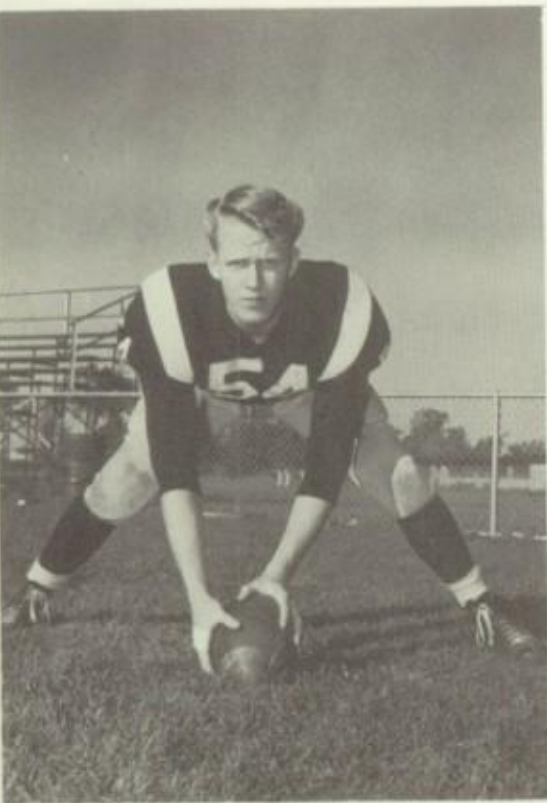

Butch Hether-An all around ball player. Never missed a day of practice. Played center, end, and did some of our punting and kick-offs.

Jim Cudney-Regular offensive and defensive end for two years. A very fine blocker and will be remembered for his hustle.

Bill Walls-A big boy with real good speed. He was our first string defensive tackle. An All-Conference selection.

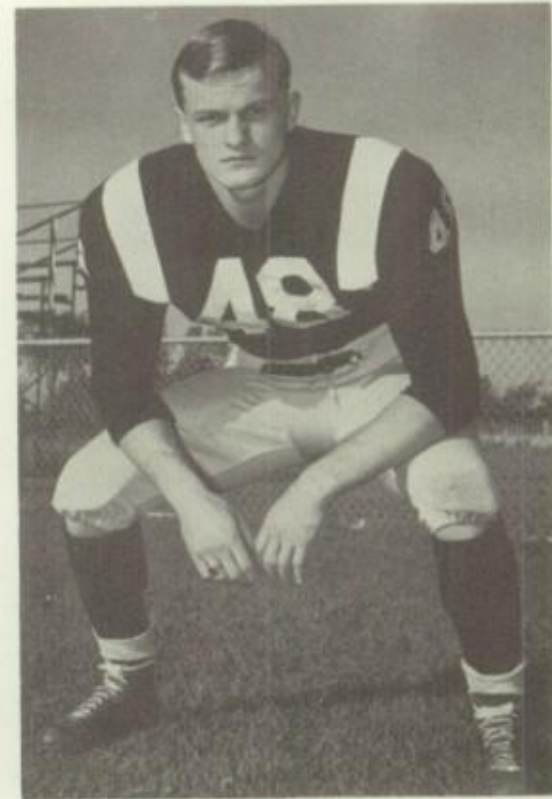

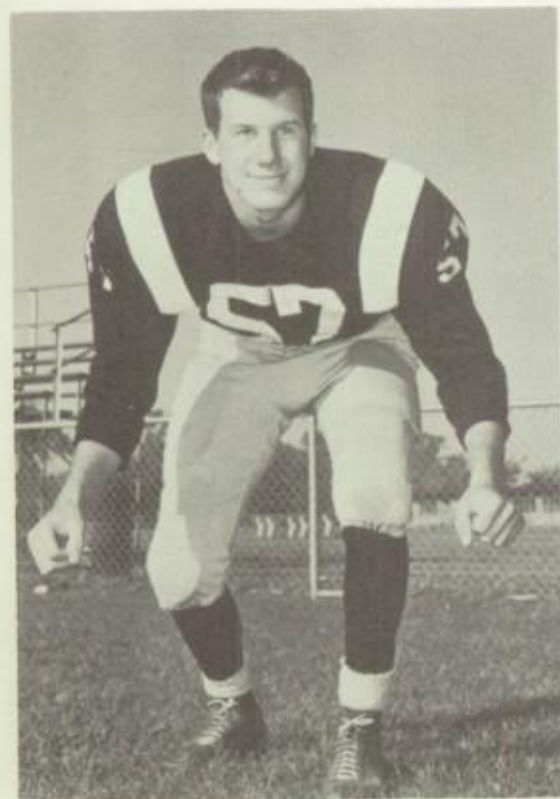

Dave Campbell-Played offensive center. Did not make a bad center all year, which made him a very valuable member of the team.

Bill Sirtola-Played offensive and defensive tackle. First year on Varsity. Lack of experience held him back.

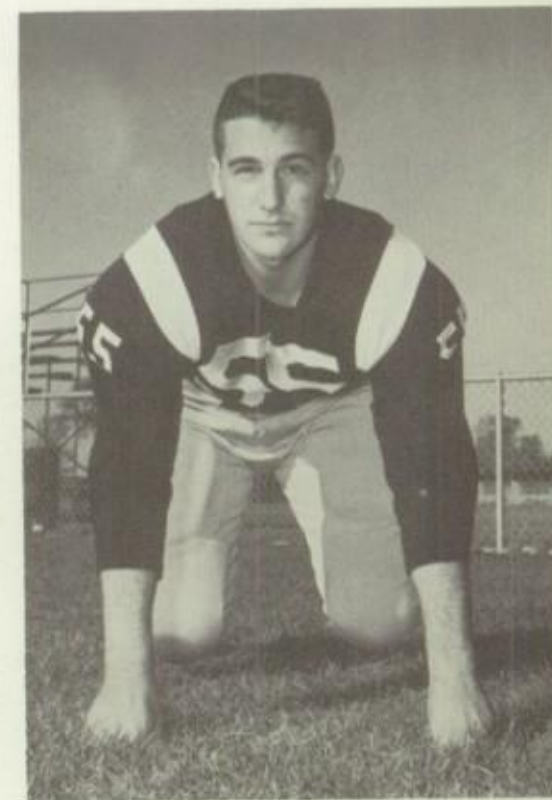

Al Fosmoen-First year Varsity man capable of playing many positions. A very valuable man to have on any team.

Bill Lance-Developed into a Defensive end. An outstanding student and never missed practice. A type of boy that is a pleasure to have on any team.

Blaine Mancier-Another first year man. He was a real big boy but did not play much because he had a lot of experience in front of him.

Rich Terio-First year out for football. Played tackle and could have been real good had he been out a few years sooner.

Henry Akin

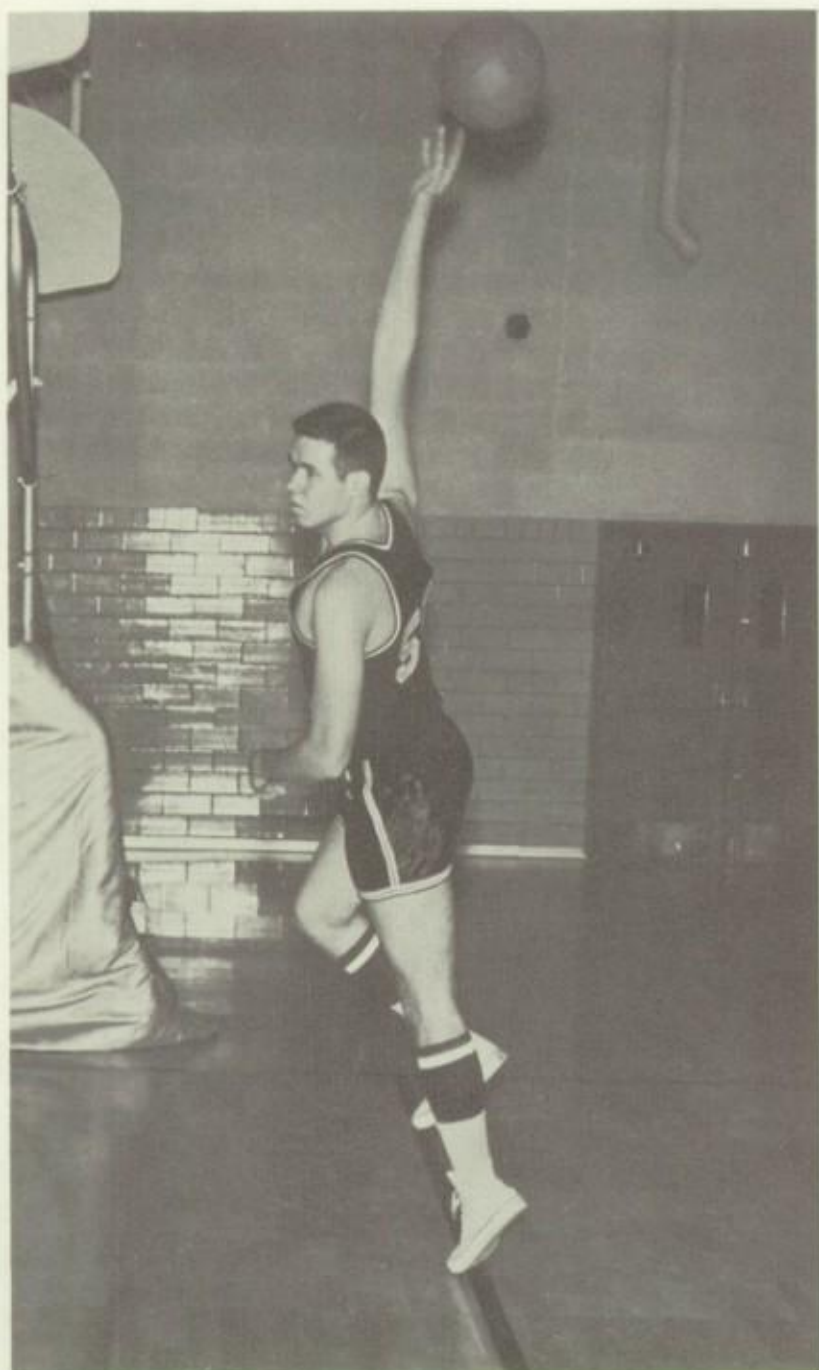

Hank is a three year man and co-captain of Troy's basketball team. At 6 feet 8 inches he is the tallest squad member and high scorer at most encounters. He is a valuable asset to the team and a natural leader.

Dennis Bronson

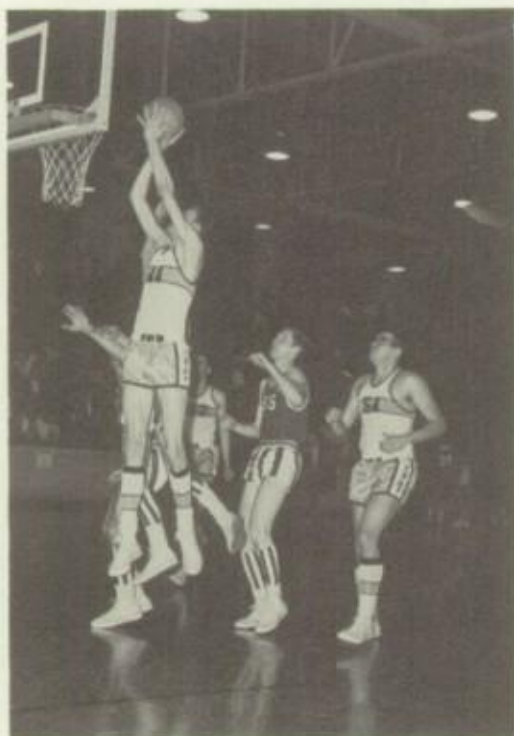

Denny, the "mighty mite," is a three year man. Being 5 feet 8 inches in height, he is the shortest member of the squad but a high scorer in addition. He is co-captain and a natural leader among the boys.

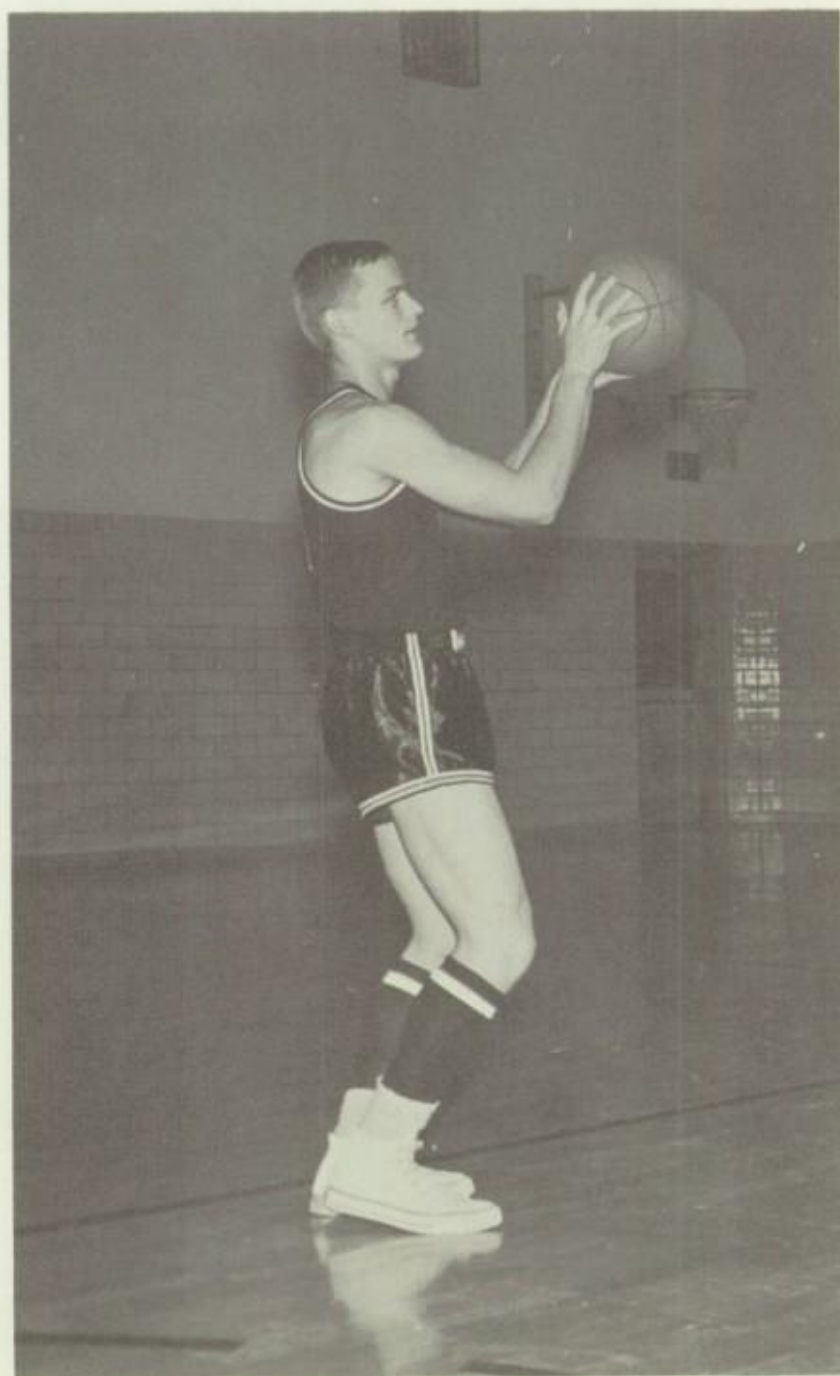

Tom Kelly

Tom is a three year man with the height to make his playing effective. Tom augmented Hank's power and made Troy's squad an efficient team. He was a very spirited performer and added his share to the final scores.

Al is a two year man. Although he was not a regular starter, he worked well with the team and contributed a good share of spirit. His power will be missed in the future.

Troy's Varsity Baseball Team won its second straight baseball crown in 1961. They also won the first Oakland "A" Baseball tournament, held at Madison High School. Most of the boys played on the 1960 championship team and this spurred them on to repeat in "61". Richard Billings led the team in both hitting (.550) and pitching, ending his high school career with a near no hitter at Oak Park (one hit in the last inning). Every member on the starting nine hit over .300 and along with all the other members of the squad played an outstanding role in making this a very successful season. This team, we hope, will give future squads the incentive to equal or surpass their two year championship record. (Missing in the team picture is John Dennison.)
